The Mission Collection reflects a style of furniture known as Mission, Arts & Crafts, Craftsman, and Quaint, introduced to America by the designer Gustav Stickley. This traditional Mission line brings the heritage of strong family values and the beauty of American hardwoods into the conversation center of your home.

SHOWN: (104) Seely on Maple Wood

IMPORTED FROM ABSOLUTELY NOWHERE

Reminiscent of Grandma's olde country kitchen but with a Transitional flare that blends yesterday's memories with today's styles. Heavy frame construction and plank grooved tops reflect the strength and design with which our olde Famstead was built by our forefathers. Built to last, crafted for generations.
